

**Environmental conditions**

Protection type IEC 60529 IP67

**General data**

Scope of delivery Screw ISO 10642-M4x8 (2x)  
 Protective cover  
 Short description Protective housing  
 Use for Vision sensor BVS

**Material**

Housing material Aluminum  
 Glass

Surface protection painted

**Mechanical data**

Dimension 80 x 175 x 58 mm  
 Fastening detail Screws  
 Sensing surface Ø 42 mm

**Remarks**

Can also be combined with BMS Mounting System, plus holder BAM01TK
